## PRICING AND DELIVERY TIMES

Our rates and turnaround times vary depending on your order size and the time of year. Prices are generally lower when rebounding in bulk. Turnaround times are shortest from October to April and longer in the summer months. See our pricing schedule and delivery time estimates below.

- Rates vary from \$25 - \$35 per copy for a FULL COLOR custom hardcover rebound book.
- Rate depends on the number of titles and number of copies per title in your order.
  - o We require a minimum of 15 copies per title/ISBN to rebound your books.
- Estimated turnaround times are the following. When we are able, we will deliver books faster than advertised.
  - o October 1st - May 14th: Turnaround time is 6-10 weeks.
  - o May 15th - September 30th: Turnaround time is 8-14 weeks.

### Book Condition Criteria

In order for your books to revert back to quality condition after they have been rebound, they must meet the following criteria.

- All pages are present and undamaged.
- Detached pages are okay if detached from page binding and placed in proper location of book.
- Mostly free of writing and highlighting.
- Rips and water damage are only allowed if less than 1/8" in size and located on the outside margins of the book.
- All bent page corners have been straightened.
